

About Us

Youth Initiative Foundation (YOIFO)

is an organization established in 2010 as a sports academy and registered as a non-governmental organization in 2014 after experiencing key issues that hinder development of Tanzanian youth.

This organization basically targets poor and vulnerable youth by bringing new **hope** and brighten their future through **sports, arts and education.**

YOIFO Vission

Transformed youth and actively engaged in community development.

YOIFO Mission

Empowering and creating bright future for youth through sports, asrts and education.
